MEMORANDUM OF UNDERSTANDING

Between

INFOWAVES

and

GOVERNMENT COLLEGE ROPAR

This Memorandum of Understanding (MoU) is entered into on this 14th day of September 2022, between INFOWAVES and Government College Ropar, with the objective of establishing a training partnership for students of Data Care Management. The main purpose of this collaboration is to provide fortnightly and monthly training sessions to enhance the skills and knowledge of the students.

1. Background:

1.1 INFOWAVES is a renowned organization specializing in Customized Software || Web Design || Web Development || Graphic Design & Presentations || Corporate & Industrial Training

1.2 Government College Ropar is a prestigious educational institution committed to providing quality education and fostering the overall development of its students.

2. Objective:

2.1 The primary objective of this MoU is to establish INFOWAVES as a training partner for the students of Data Care Management at Government College Ropar.

2.2 The parties aim to enhance the practical skills, industry knowledge, and employability of the students through regular training sessions conducted by INFOWAVES.

3. Scope of Collaboration:

3.1 INFOWAVES agrees to provide fortnightly and monthly training sessions to the students of Data Care Management of Government College Ropar especially in summer and winter vacations

3.2 The training sessions will cover various aspects of data management, analysis, data privacy, data security, data visualization, and other relevant topics.

31

3.3 INFOWAVES will design and deliver the training modules, including lectures, practical exercises, case studies, and interactive sessions, to ensure an effective learning experience.

3.4 Government College Ropar will facilitate the availability of suitable venues, classrooms, and necessary infrastructure for conducting the training sessions.

4. Responsibilities:

4.1 INFOWAVES shall be responsible for developing the training curriculum, preparing training materials, and delivering the training sessions in accordance with the agreed schedule.

4.2 Government College Ropar shall identify and nominate eligible students from the Data Care Management program to participate in the training sessions.

4.3 Both parties will appoint focal points who will be responsible for coordinating and liaising with each other on matters related to the training activities.

5. Financial Arrangements:

5.1 The training sessions provided by INFOWAVES shall be offered free of charge to the students of Data Care Management at Government College Ropar as part of this collaboration.

5.2 Government College Ropar shall bear any additional expenses incurred, such as venue arrangements, logistics, and administrative support, to ensure the smooth conduct of the training sessions.

6. Duration:

6.1 This MoU shall be effective from the date of signing and shall remain in force for a period of two year.

6.2 Upon completion of the initial term, both parties may decide to extend this MoU based on mutual agreement.

7. Amendment and Termination:

7.1 Any changes or amendments to this MoU shall be made in writing and require the mutual consent of both parties.

7.2 Either party may terminate this MoU by providing a written notice of at least 30 days prior to the intended termination date.

8. Governing Law and Jurisdiction:

8.1 This MoU shall be governed by and construed in accordance with the laws of the Republic of India.

8.2 In case of any disputes arising out of or in connection with this MoU, the parties shall endeavor to settle them amicably. If not resolved through negotiations, the disputes shall be submitted to the exclusive jurisdiction of the courts in Rupnagar District.
