Whereas both parties having expertise in their respective fields can benefit the students in the field of Skill and Entrepreneurship Development. Both the parties have agreed to work together in the following fields.

- 1. Collaboration in Entrepreneurship and Skill Development:** Regional Center for Entrepreneurship Development (RCED) will collaborate with the Government College of Education (GOVT. COLLEGE ROPAR) to conduct entrepreneurship development programs sponsored by various organizations such as the Department of Science and Technology, Directorate of Industries, Khadi and Village Industries Commission (KVIC), National Skill Development Corporation, Tech Mahindra Foundation, NASSCOM Foundation, SJVN, PFC, etc. This collaboration will provide valuable opportunities for the college students to gain awareness about entrepreneurship and the facilities available for setting up their own enterprises.
- 2. Entrepreneurial Awareness Camps:** RCED will organize three-day entrepreneurial awareness camps for the students of Govt. College, Ropar. These camps will aim to educate students about entrepreneurial opportunities and provide information about resources and support available for establishing their own businesses.
- 3. Entrepreneurship Development Programs:** RCED will conduct four-week entrepreneurship development programs for individuals who are ready to set up their own business ventures. These programs will cover all aspects, starting from project identification and selection to successfully running the enterprises. The participants will receive comprehensive training and guidance to enhance their chances of success.
- 4. Skill Development Programs:** RCED will offer skill development programs for candidates seeking wage employment in various fields such as IT, Computerized Accounting, Tally, Retail, Sales, Computer applications, Textile, Food Processing, Fashion Technology, etc. These programs will include modules on communication skills, personality development, and IT skills, thereby equipping the participants with valuable skills for employment.
- 5. Handholding Support:** RCED will provide ongoing support to all participants of the programs, assisting them in finding suitable employment opportunities or establishing their own ventures. This support will ensure a smooth transition for the participants after completing the programs.
